The McNeil Scholar Program-Lana'i Selection Committee asks that you encourage your students and their parents to review the First Time Applicant: Eligibility/Selection criteria, b) Application Guidelines and c) Application Instructions prior to completing their application. The Committee also asks that you support us in encouraging your students to complete and submit their applications as early as possible. Early submission allows the applicant time to correct any errors and resubmit their application prior to the deadline date.

Applicants must submit their ***official*** **FAFSA** Submission Summary with Student Aid Index (**SAI**). ***Applicants should be certain to submit the actual*** Submission Summary. ***Mere confirmation that the federal government has received your*** **FAFSA** is ***not acceptable***.

A copy of the applicant's ***official*** **ACT® Plus Writing** Student Report or their ***official*** **SAT** Score Report should be included with the application. **The Selection Committee *does not accept*** **ACT** or **SAT** test scores on the applicant's high school transcript.

School personnel should mail the applicant's ***official*** Lana'i High & Elementary School transcript and the individuals writing them should mail the applicant's recommendations. The applicant ***should not*** include these items with their application; they should be mailed to **The McNeil Scholar Program-Lana'i Selection Committee** separately. The Committee ***does not*** accept application materials that are electronically transmitted.

The Selection Committee appreciates your assistance in ensuring that all information is complete and is postmarked by the April 15 deadline date. Incomplete, inaccurate or late applications ***will not*** be processed.
